Chartered 10 November 1927 • District 7670 • Club 6013. Wednesdays at Noon - First Presbyterian Church

**HAPPY NEW YEAR**

Over the past few days, we have received many notes and cards from various parts of this community. Each thanked you for your generosity whether for continued support of the Presbyterian Church community dinner, the children at our Christmas party, the stranded students at LBJ, or the families who received a surprise Christmas of toys, clothing, and food from people they do not know. The list goes on and grows throughout the year. Thank you for thinking of others, for giving without seeking recognition, and for being part of a true service organization, The Rotary Club of Franklin.

This holiday season is darkened by the loss of Norm Jones. In my last conversation with him, his main concern was that he could not perform his Sgt-at-Arms duties. He was proud to be a Rotarian and made a difference in the club and the community. We will miss him as well as his dedication and sense of humor. May he rest in peace.
