ROTARY FELLOWSHIPS VERSUS ROTARY FELLOWSHIP

By John Short

Our own Dennis Sanders presented an excellent program on Rotary Fellowships versus Rotary Fellowship. His presentation was in four parts with the first part being on the International Convention which will be in Atlanta next year. As an incentive to attend PE Lenny's board has agreed to reimburse members \$65 of the \$265 registration fee for those who register before June 6th. As Dennis pointed out, this is probably the cheapest registration fee ever for an International Convention. A lot of Rotary moments happen at the convention. Going through the House of Friendship brings about a sense of excitement as well as an opportunity to meet Rotarian's worldwide and learn about projects that they're involved in.

Another point Dennis brought up was a project our club got involved with in 2001 after several members attended the International Convention in San Antonio, Tx. He remembered this after Elbie Stiles showed him an article about a medical train in South Africa. While in San Antonio they heard about the need for a jeep to be used to go from the medical train to out lying villages to deliver medical services. Dennis along with Everett Stiles, Sam Fiske and Dave Jones traveled to South Africa to see for themselves the need which they heard about. The train named "Phelophepa" is still operational to this day. Dennis is not sure if the Jeep, which our club helped provide, is still functioning or not.

Dennis then talked about Rotary Fellowships. These are groups of Rotary members who share a common interest in recreational activities, sports, hobbies, or professions. Each fellowship has to be approved by the Rotary Int. Board of Dir. but functions independently of Rotary Int. There are 66 different fellowships and is a way to meet other Rotarian's with like interests.

Dennis then introduced PE Lenny Jordan who talked about a fellowship which has recently been formed here in Franklin. The Brew Fellowship, for those who enjoy beer, has been recently formed. They are planning an outing this Saturday afternoon to Sierra Nevada in Asheville. If interested in going Saturday or joining the fellowship see PE Lenny.

Thanks Dennis for an informative program.

B.R.E.W. Fellowship

PE Lenny Jordan information on the B.R.E.W. Fellowship on the second BREW Fellowship event on May 21st. May 15—22 is American Craft Beer Week. This is celebrated annually and it is a great time to enjoy fellowship with fellow Rotarians. The BREW (Beers Rotarians Enjoy Worldwide) Fellowship is open to all Rotarians. Come meet our members and decide if you want to join this fun centered fellowship. (p.s. It counts as a makeup!!!)

Second Event—Saturday, May 21, 12:00 Noon - until... Sierra Nevada Brewing Co. Asheville

BREW Fellowship members will venture to Asheville to visit Sierra Nevada Brewing Co. Some of us will be in Asheville for the Club Leadership Seminar at ABTech that morning. If you haven't registered for that, remember it is FREE- Go to DACDB and register (also a makeup opportunity). Then following the seminar we will drive down to Sierra Nevada for lunch and to try their special Craft Beer Week specials. (yet another makeup opportunity!!). If you choose not to attend the Seminar at ABTech, but want to attend Event #2, check with Lenny on carpooling and logistics. We look forward to seeing many of you at all or at least one of these events. Food & Beer are on each individuals dime, but the Seminar at ABTech has been paid for and is FREE.

If you have never been to Sierra Nevada, you are missing a chance to see a truly amazing brewery that has good beer and developed a beautiful campus so close to us.

Come join us if you can.
