Governor Gary's Visit

By PE Sean Gibson

On July 2nd, new Rotary District 7670 Governor and Rotary Club of Franklin member Gary Bray made his first visit in the District with his home club the first stop. Bray addressed board members prior to the regular meeting followed by the regular meeting. Bray was very appreciative of the club's efforts and talked about several events that inspired him over the years in helping with Rotary's continued work including the Honor Air Program. He was pleased with the club's continued passion, knowledge and dedication in its work to help others in the community. He also commended the club for its continued development of leadership. Worldwide, the message that Bray relayed to members and the board was that worldwide membership is decreasing in the U.S. and he feels

the best way to bring in members is finding out their interests and matching those interests with different projects and activities clubs conduct. The message was also to continue to support the Rotary Foundation and focus on those service projects in the community. He also encouraged clubs to work together on joint projects.
