PolioPlus

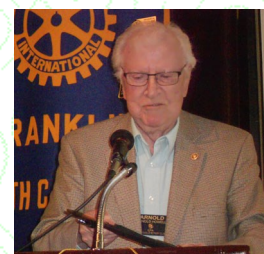

By Demi Bray

Demi Bray introduced our speaker, Arnold Howell, a Rotarian for 27 years and a multiple Paul Harris fellow, came to us from the Rotary Club of Waynesville for our program on PolioPlus. He gave an entertaining and very witty talk, drawing on his life experiences to entertain us while reminding us how devastating a disease polio can be

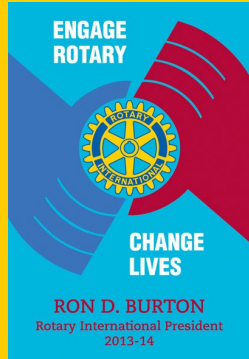

and how important our contributions to Rotary's campaign to eradicate polio have been and will continue to be. He reminded us that Rotary has partnered with the Bill and Melinda Gates Foundation in their joint fight against polio; together they have declared an End Game Strategy to end polio worldwide by 2018. The Gates Foundation has committed to match Rotarians' contributions \$2 to \$1 each year for the next five years, thus tripling the power of every dollar we give to the cause. More information about polio and links to make contributions online are available at EndPolioNow.org.

A PolioPlus Did You Know Fact

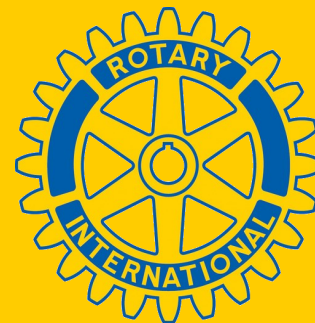

Rotary International declared October 24th as World Polio Day over a decade ago. This year it will be an opportunity for the global polio eradication community to renew its promise of a polio-free world to future generations. Rotary will begin a livestream "World Polio Day: Making History" event beginning at 6:30 pm on the 24th. For further information and to watch the event, go to EndPolioNow.org.

Welcome Amy!

The Rotary Club of Franklin inducted another new member on October 2nd as Amy Manshack, agent with State Farm here in Franklin, joined the club. Amy comes from some great Rotary Roots. She is the daughter of Rotary district superstar Charles Wolfe from the Sylva club. Amy is sponsored by another Rotary superstar, Sandy Frazier. Let's give Amy a big Rotary welcome!

Happy Birthday Flywheel!

Our club's newsletter celebrates a birthday this week as the Flywheel debuts its initial edition on October 5th, 1994. Back then the Flywheel was distributed at the follow week's meeting. My, how technology has taken over!

October is Vocational Month

Vocational Service focuses on: adhering to and promoting the highest ethical standards in all occupations, recognizing the value of all useful occupations, not just those that are pursued by Rotarians and contributing one's vocational talents to meeting the needs of the community. During October, Rotary clubs are encouraged to focus on this important avenue of Rotary service. Consider dedicating at least one meeting to discussing Vocational Service and plan a project or other activity to carry out through the year. Some suggested activities for clubs to consider include devoting a meeting in October to examining Vocational Service, including The Four Way Test and the Rotary Code of Conduct. For more ideas visit @rotary.org.

Nancie's Notes

Today's meeting was another great one! We were pleased to induct Amy Manshack into the Club. Amy is one of the State Farm Insurance agents in Franklin. Her dad, Charles Wolfe, who is a past president of the Sylva Club, presented Amy's Rotary pin to her. Amy's sponsor, Sandy Frazier, passed on his Four Way Test coin to her and encouraged her to pass that same coin along when she brings in a new member.

Today's program was on Polio Plus and we were delighted to host Arnold Howell from the Waynesville club as our speaker. Arnold had some entertaining stories to tell us, and during lunch I was pleased to find that he and I both hail from Orlando, and we know some of the same people there. Another "small world" moment! We will continue to pass around the Polio Plus envelope at our meetings during the month of October, and complete our Polio Plus project by the end of the month. The Interact Club at Franklin High School intends to hold a "Purple Pinky" day at the high school one day during the month and charge \$1 each for students to have their pinky painted purple as a sign of supporting the eradication of polio world-wide.

During January our Club will host Dr. Scott Philyaw, History Professor and Director of the Mountain Heritage Center at WCU. Scott will bring us a program on a Polio exhibit that will be at the Center next Spring. That exhibit will center around the polio epidemic that occurred in NC in the 1940's with the hardest hit area of the state being around Hickory, NC.

Rotarian Demi Bray, jewelry-maker extraordinaire, will be making Rotary-themed jewelry this Fall, and just in time for Christmas! Demi will donate all proceeds from the sale of her hand-made jewelry to Polio Plus. You'll get a chance to see some of Demi's creations in the coming weeks at our Club meetings.

Our board meeting will be Monday, Oct. 7th at 5:30 at Life' Bounty Restaurant on Main Street. That restaurant is not usually open in the evening, but Club Administrator Susie Ledford has made a special arrangement with the management to open especially for us. Sandwiches and adult beverages will be available, and board members are encouraged to eat their evening meal there, if possible. Directors and committee chairs are expected to attend, and any Club member is also welcome and will earn a makeup!
