Chartered 10 November 1927 District 7670 Club 6013 Meet Wednesdays at Noon-First Presbyterian Church

## WORK DAY BRINGS ROTARIAN'S TOGETHER

*By John Short*

Today, during our regular meeting, Rotarian's came together to discuss ways they could serve, not only their community but those internationally. The room was setup into different areas of service. As members came in they sat at the area of service they were interested in serving. President Judy explained that after fifteen minutes she would give those, who were interested in serving in more than one area, a chance to move. The following areas reported that a lot is happening in our club this year.

The banquet committee, for our top ten students, is working hard to honor these high school students next March. Up to this point things are coming together for a terrific banquet.

Public Relations is going to put a link from our website to Facebook: <https://www.facebook.com/TheRotaryClubOfFranklin>. They are also purchasing "Thank you Missed you" cards to send to those members we haven't seen in a while.

Community service is working on a three way project with Daybreak and the Satellite clubs. Project to be revealed later.

Vocational is still in the need of speaker suggestions. The four way test will be coming around soon and will need everyone's help to make it another successful year. Rich Peoples would like to see the job shadow program again but needs someone to head it up.

President Judy ran out of time for all areas of service to report but as you can see from the areas that did it's going to be a great year!

## Fred's Funnies Random Thoughts...

\* Do twins ever realize that one of them is unplanned?

\* The letter W, in English, is called double U. Shouldn't it be called double V?

\* What if my dog only brings back my ball because he thinks I like throwing it?

\* Maybe oxygen is slowly killing you and It just takes 75-100 years to fully work.

\* If poison expires, is it more poisonous or is it no longer poisonous?

\* Every time you clean something, you just make something else dirty.

\* Which letter is silent in the word "Scent," the S or the C?

\*The word "swims" upside-down is still "swims".
