Chartered 10 November 1927 District 7670 Club 6013 Meet Wednesdays at Noon-First Presbyterian Church

The Franklin Press Rachel Hoskins Presents

Today we had a wonderful presentation by Rachel Hoskins of the Franklin Press and Mountain Press, INC. The Mountain Press, INC publishes 27 newspapers in Georgia, North Carolina and South Carolina, including The Franklin Press, Cashiers Chronicle and the Highlands News Paper. Recently, their press plant was expanded which allowed for the creation of 7 new full-time positions! The printing press here in Franklin is also responsible for housing the accounting department for 11 local papers in our area.

Rachel decided to focus today on how The Franklin Press adheres to the 4-Way Test.

1) Is it the Truth?

Rachel explained the Journalists Code of Ethics to always report the truth to the best of the knowledge of the editor and to not print falsified documents or information.

2) Is it Fair to all concerned?

Rachel has a statement to her staff of "We will never distort what we are printing"

This statement reflects being fair and unbiased in their reporting

3) Will it build Good Will and Better Friendships?

Mrs. Hoskins believes so! Through reporting unbiased and interesting reporting about our community she believes that the paper serves as a bonding agent within our town, and others like ours.

4) Will it be Beneficial to all concerned?

The Franklin Press pride themselves on never imposing their opinions in their articles.

They focus on providing coverage of the topics that are informative and beneficial to the citizens they serve.

Rachel has evident pride in the reporting done by all at The Franklin Press, and all the papers that are produced under the Mountain Press, Inc. umbrella. Their mission is to provide fair and balanced news coverage to every citizen their paper can reach. Hats off to you and your team Rachel for providing excellent stories and headlines over the years, and here's to hoping for many more!
