Rickman Fundraiser

by John Hubsch

Wednesday was the official kickoff of the 2017 Rickman Fundraiser scheduled for Saturday July 29th at 6 PM at MVI. John Short, Rickman co chair is in need of volunteers for the day of the event and this is a great way for new members to get involved. Volunteers will be needed with set-up as well as servers and greeters during the event. Also special help needed with the take down after the event is over. All hands on deck will be needed. Please see John!

Mike Norris gave a ticket update as packets were handed out to members and now is the time to start contacting prospects. Horsemen this year are Jacob Reiche, AG Sean, Vic Perry and Tammie Farrell. 500 tickets will be sold again this year and Mike stressed the importance of getting the name of the buyer, who sold the ticket and number to be reached Saturday Night. All tickets need to be turned in to the horsemen.

Patsy stressed the importance of gathering silent auction items and please make sure the forms are filled out with the items. Please don't wait until the last minute.

Sandy Frazier talked about the souvenir program and we look to better last years sales. All members should sell at least one ad in the program.

CART Cruise Scheduled

PDGs Bill Shillito and Dennis Sanders announced at the District Conference in Hickory that a CART Cruise has been arranged for District 7670 Rotarians and their friends and families on 24 February, 2018. This weeklong cruise will give cruisers an opportunity to learn more about Alzheimer's Disease research, to share ideas and strategies to support CART, and to raise some funds for CART. In addition, we will be able to enjoy the warm weather of the southern Caribbean during the winter of 2018.

Norwegian Cruise Line has agreed to donate \$100 to CART for each passenger that books a voyage. Each club will receive credit for the \$100 generated by their members and any friends and family going along with them. Norwegian has also added some excellent incentives for this cruise. Please see the attached flyer for details.

Our tentative plans for the cruise include some informational sessions by, hopefully, one of our research scientists. We will also have a couple of receptions just for our group. During one of the sea days we will conduct a 2 K Walk for CART. Our travel agency has approached Norwegian to see if they will allow us to include the entire ship in this walk. The chance to develop new acquaintances and friends is probably one of the most important reasons to join the cruise.

You have three methods to book a cabin:

Print the registration form in the attachment and snail mail it to our travel agency.

Go to the travel agency website at vipworldtravel.travel and click on the CART link. You can then register online

Call the travel agency at (800) 323-7448. Ask for an agent to book the CART Cruise

Please consider joining this cruise for fun, the chance to learn, and the opportunity to raise some funds for CART.
