Club Assembly by John Hubsch

President Lenny Jordan, who by the way grew up on a farm, distributed two separate surveys to the club members present at the meeting today. One survey was to be completed anonymously and had to do with the club itself and the other survey was a personal survey whereby members provided information about themselves.

FHS Interact and Satellite Club Collecting Books!

The Franklin High School Interact Club is presently collecting books through March for the Read2Me project.

The Rotary Club of Franklin Evening club has also gotten involved. Please drop off any unwanted new or gently used books to be donated to the project. Interact has the drive going in several classrooms at the high school and **the satellite Club has a couple of drop-offs at some businesses like American Computer Sales and Gooder Grafix. See Satellite Club's Guy Gooder.** Last year the club collected some 650 books and this year they are shooting for 1,000. Lets help them get there!!

AG Sean Needs Flywheel Editor VERY SOON! We are down to THREE MONTHS!

If you are interested in publishing the newsletter each week please see AG Sean. He would like to let someone else do this. Its difficult for him to continue during the day. Doesn't take more than an hour and a half each week. **We need to find someone soon as Sean will no longer be able to do it as of July 1st which means there will no longer be a Flywheel after that time.** We can train that person before they take it over. See Sean or Stephanie Smith!

Murphy Golf Tourney in May!

Attention golfers...AG Sean is encouraging anyone interested to participate in the Rotary Club of Murphy's annual golf tourney fundraiser Saturday May 13th at the Ridges in Hayesville. The tourney is a three person captain's choice with tee off at 930a. Cost is \$240 per team and includes green and cart fees. Please let the Murphy club know by May 5th of you are interested. Contact Matt Gutierrez, Murphy club president at 828-399-1266.

Notes from The Top

This week as I was planning for my last Club Assembly, it was hard not to reflect on the year and what it was like trying to lead this group of awesome people who really did not need a leader! I realized that while standing in as your president, it was me that was getting more than I anticipated as President.

We have had ups and downs, but as I stood in front of you and listened as our Exchange Student Bea read the Rotary Prayer in Italian, it made me proud to be a Rotarian and to have the honor to lead you.

None of us know where life will lead us in the future, but the time we have together in Rotary is a time we should all recognize as precious. Look at the things our club has achieved, from Polio to Cart, to scholarships, Global Grants, Panama and hosting an international exchange student. It really is amazing what we as a club can do that a single individual would be hard pressed to do unless you were Bill Gates.

Enjoy the time you have in Rotary. It is a special time.

Cheers and Thank you,

Lenny
