Coins for Alzheimer's Research

By AG Sean

On Wednesday CART District Chair Dennis Sanders introduced the program with a video entitled "Remembering No More" on how CART came to be. CART stands for Coins for Alzheimer's Research Trust and was started by Roger Ackerman of the Sumter, SC Rotary Club. Roger had a passion for finding a cure as he was effected by mother in law being diagnosed with the disease. The video talked about the evolution of the "blue buckets" and how Alzheimer's effected a patient at an assisted care facility in Rock Hill, SC.

The video also featured Dr. Allen Levy of Emory University who was the first grant recipient for his cure research from the CART Fund. 100 percent of that money donated by Rotarians and the community goes toward Alzheimer's research. Robert Hall former zone director and chair of the Atlanta International Convention and his wife also have a passion for finding a cure for the dreaded disease. Bill Shillito, PDG from 7670 and current executive chair for CART, was also interviewed.

Dennis gave us an update prior to the video stating the club has presently, after a \$1,000 donation, collected \$7,400 this Rotary Year for CART! That's an more than double last year's total of \$3,500. Great work Rotarians and keep the pedal to the metal as, even though our club is currently first in the district, there will be other clubs making a late year push to try to get that top honor. Don't stop now!!

FHS Interact and Satellite Club Collecting Books!

The Franklin High School Interact Club is presently collecting books through March for the Read2Me project. The Rotary Club of Franklin Evening club has also gotten involved. Please drop off any unwanted new or gently used books to be donated to the project. Interact has the drive going in several classrooms at the high school and the satellite Club has a couple of drop-offs at some businesses like American Computer Sales and Gooder Grafix. Last year the club collected some 650 books and this year they are shooting for 1,000. Lets help them get there!!

AG Sean Needs Flywheel Editor VERY SOON!

If you are interested in publishing the newsletter each week please see AG Sean. He would like to let someone else do this. Its

See Sean or Stephanie Smith!

Notes from The Top

If there is one thing this club is great at, it is giving! I know many of you must think, "It seems like I am always being asked to GIVE at Rotary!"

Ok, I admit, we do ASK for your talents and your money to make the world a better place. After watching the CART video yesterday, my wife Jean who rarely comes to meetings, was moved by the video and said afterwards. "That is something we should really support!" I hope you felt the same way! CART really is about pennies, and the jars you fill really will and have had a difference. Everyone of us has a "Vera" we know that has been affected by Alzheimers!

While I am talking about money...yes, we do ask that you give something to the Foundation each year. WHY? Because that money is used to do the BIG projects Rotary undertakes. From Polio to water and sanitation grants. Did you know that this year alone, OUR CLUB will receive almost 3X the money we give? You might say HOW? Well, we are beginning the Ocoto Alto Sanitation Project in Peru this year. We will be building 100 healthy latrines for folks that do not have even the basic need...a bathroom. We will be receiving money from the District and from the Global Fund that allows us to do the project. Our part is barely \$6K of a \$46,000 dollar project! So your donations do make a real difference.

So please, give generously to the Foundation! If that is \$25, ok. If you can afford more, that is great too. Next week, I will announce a challenge opportunity to make your donation count even more and to get to that next Paul Harris level. Stay tuned.

While we do ask for money, we also provide some of the money given back to you through participation in the District Conference (partial refund of registration fees), Rotary International Convention, (partial payment) and other events throughout the year. Each one of you should try to take advantage of the many opportunities to broaden your knowledge of Rotary, but more importantly remember we are: SERVING HUMANITY THROUGH SERVICE ABOVE SELF!

Evening Club Meets Tuesday!

The RC of Franklin Evening satellite Club is now meeting on **Tuesday's 630p at Lazy Hiker**. Tell a friend about the club. Just another option to serve as a Rotarian!
