## DACdb Training for Rotary Members

Franklin Rotary Member, Ashlie Mitchell-Lanning, gave an instructional course on the proper use of DACdb (Rotary's **D**istrict and **C**lub **d**atabase).

In addition to demonstrating the navigation and how to get to important links, she reminded us that members can also go there to view district and Rotary International news.

President Janet reminded us all to keep track of our volunteer hours (including the hours spent on the fundraiser) under the Club Engagement section.

To log on to DACdb go to <https://www.dacdb.com>. There is also a mobile version at <https://m.dacdb.com>.

# Fred's Funnies

• An elderly couple return to a Mercedes dealership to find the salesman had just sold the car they were interested in to a beautiful, leggy, busty blonde.

"I thought you said you would hold that car till we raised the \$75,000 asking price," said the man. "Yet I just heard you closed the deal for \$65,000 to that lovely young lady there. You insisted there could be no discount on this model."

"Well, what can I tell you? She had the ready cash, and just look at her, how could I resist?" replied the grinning salesman.

Just then the young woman approached the old folks and handed them the keys.

"There you go," she said. "I told you I could get this joker to drop the price."

"See you later, grandpa."

Never mess with the elderly!
