DG Visits Franklin Rotary Club

District 7670 Governor, Tiffany Ervin, has just two goals for this year:

- 1) Have Fun
- 2) Do Good In The World

Tiffany's message is that if we do those two things, everything else will fall into place. If we are doing good and having fun others will want to join our clubs. Our public image will continue to improve. Our donations to the Rotary Foundation, CART and other projects will increase. And lives will be changed.

Southern Fried Rotary is the governor's district theme this year. You can achieve a "Southern Fried Rotary" pin if you complete 4 of the following:

- 1 - Sponsor a new member
 - 2 - Attend a district event
 - 3 - Participate in a service project
 - 4 - Donate at least \$25 to The Rotary Foundation
 - 5 - Visit another Rotary club
- Let President Patrick or Secretary Parker know when you have completed 4 of the above requirements to get your pin.

Tiffany is known for her shoes (she wore rhinestone shoes with 5 inch heels to our meeting). So it just makes sense that she created The Cinderella Project. This is a project where each club creates their project individually, but the projects all have to revolve around shoes. Tiffany gave some examples. One club is providing bedroom shoes to the elderly in assisted living facilities. Another club is providing back-to-school shoes for children. The possibilities are endless. This is a fun thing to do all around the district because, like Cinderella, Tiffany believes that one shoe can change your life.

Tiffany doesn't want any Rotarian to have to choose between Rotary and family. She announced that the district conference being held in Columbia South Carolina this year will include registration and events for Rotarian partners and children. The district conference will be held at the Columbia Convention Center, April 24 – 26, 2020.

Tiffany wrapped up her remarks with a call to all Rotarians to: "Find your passion and make it your purpose."

Franklin Rotary recognized Charlie Vargas for his service to the community through scouting

Charlie stepped in as Scoutmaster, somewhat reluctantly, at a point of near crisis for Troop 202. He provided stability, confidence, and enthusiasm (among boys, adults, and our Club). His years have helped lay a solid future for scouts in Franklin.

Boy Scout Troop 202 is one of the oldest troops in western North Carolina. Troop 202 was chartered by the Rotary Club of Franklin in 1933.
